# 14 GIFT IDEAS FOR THE MOST STYLISH MAN AT THE OFFICE

WHAT'S UP WITH that guy in the office who always has the latest kicks, newest collab, and just right jacket? How does he know about such dope gear? His nonchalant smug is insufferable. But you like him. So what to buy this man who seems to know everything about style? You're in the right place.

Oh, and if you're also shopping for [gifts for her](#), we have those too.

## Minus-8 Diver

Maybe your well-dressed man is also a man of the sea. Diver, surfer, SUPer, kayaker—whatever his aquatic passion, he'll love this dive watch from [Minus-8](#), a new company from California. The movement is automatic (made in Japan by Seiko) and the case and link strap are titanium. It's sealed and waterproof to 300 meters like any dive watch should be. This new edition is available [just through Indiegogo](#), and early-bird orders will ship in time for the holidays. \$588 and up
